

Society for Neuro-Oncology (SNO) Webinar Series

As an ongoing effort to elevate SNO's mission to take a multidisciplinary approach to advancing brain tumor research through education, SNO is now providing monthly webinars to its membership and the brain tumor community. The webinars will be led by experts in the field of neuro-oncology.

SNO welcomes your ideas and topics for future webinars. If you wish to be a presenter, please complete the form below in its entirety.

Faculty name(s):

(Please list names of all presenters if there is more than one)

Email(s):

Phone:

Institution:

Topic(s):

Learning objectives:

(Please list three or more objectives. 350 words maximum)

Target audience:

Webinar Logistics:

- SNO will determine webinar date if approved.
- SNO will manage marketing, email invitations and reminders.
- SNO team will provide online training for presenters.
- The duration of webinar is 60 minutes: 45 minutes for presentation and 15 minutes for Q&A.
- The Q&A segment will take place at the conclusion of the presentation. Questions that were not answered during the webinar will be provided to the speaker(s) directly after the webinar for feedback.

- The webinar can host up to 1000 participants.
- All SNO webinars are recorded and can be viewed online at [SNO's Online Education Center](#).
- SNO webinars are not accredited for CME credit at this time

Thank you for your interest in SNO's Webinar Series. All webinar proposals are reviewed by the SNO Education Committee.
