

Wing/Extensions

In regards to rear setback requirements for an attached, one-story wing or extension, that **does not exceed one-half the width of the home**, below are the requirements:

1. Adjacent to a **non-paved** alley or in a **no-alley subdivision**: 5 foot rear setback

2. Adjacent to a **paved alley**: 18 inch rear setback

3. Garage/Overhead Door **facing an alley or street**: 20 foot setback:
