Help Wanted - Nursery Job Opening

Job Title: Field Production Assistant

Broken Arrow Nursery is a premier destination nursery that acquires, develops, and grows rare, unusual and garden-worthy plants. This position provides the opportunity to learn firsthand about the nursery industry and be part of a collaborative team of experienced nursery professionals.

Position Summary:

Broken Arrow Nursery is seeking a seasonal Field Production Assistant. The Assistant will work under the supervision of the Field Production Manager completing all tasks necessary to grow, maintain and display field-grown plants. Responsibilities will include, but are not limited to: planting, watering, hand-weeding, mulching, digging and staging plant material in the sales area as well as loading plants into customers' vehicles and delivering plants to customers.

The position averages 30-40 hours per week and runs from late March through mid-November. We offer competitive compensation that is commensurate with experience.

Job Requirements:

Applicants must be energetic and eager to do physical work regardless of weather conditions and be able to lift and carry up to 65 pounds. Plant knowledge and/or nursery/landscape experience is preferred but not required. Must be willing to operate machinery and have a valid driver's license. The ability to work some weekend days is preferred.

How to apply:

Interested applicants should e-mail or mail a resume including two references to:
