

PARTNERING TO MAKE A DIFFERENCE AND CHANGE LIVES THROUGH CATHOLIC EDUCATION!

The Xavier Foundation is re-energizing and strategically updating its annual appeals in 2020-2021 to fall under one larger, branded name: **Xavier Impact Fund**. The Xavier Impact Fund campaign will reach out to distinct audiences of parishioners (formerly known as the Parish Appeal), businesses (formerly known as the Business Appeal), and alumni (Forever Saints Day), in different phases to raise funds to support Xavier families and teachers. **Here's how it works:**

The need is real and we want Catholic education at Xavier to remain available and affordable for all families.

Xavier teachers earn, on average, substantially less than their public school counterparts. This endowment, supported by the Xavier Impact Fund, has been established to close that gap.

This is the core of Xavier, and we are growing our faith initiatives and academics like never before. The new XCEED Conference and Communities program are just two examples of why Xavier stands out as a light of Christ in this world.
