

# SNAP Benefits

## Important Message

If the government shutdown lasts past October, here's what may happen to your SNAP benefits:

- November SNAP benefits will **not** be available as of 11/1/2025
- SNAP recipients may not be able to use any left over SNAP benefits from previous months, until the government reopens
- November SNAP benefits cannot be issued until the shutdown ends or new guidance is given
- As of now, SNAP benefits already loaded onto EBT cards are available for use through October 31, 2025

*Source: 211ct.org*

Please consider using remaining SNAP benefits for **shelf-stable food** items such as canned goods, grains, and pasta.

**Use this QR Code to find a local food bank near you.**

Donating to your local food bank? Please consider donating as soon as possible.

Your clinician is a participating provider with CMG Privia and an independent practice association.
