

Afternoon Activities

Session 3: February 25, 2019 – June 4, 2019

Note: Review schedule and note changes from prior session

Afternoon activities include teacher-led and vendor-led programs for Gimels and Dalets.

Afternoon Activities are scheduled separately for each day. For example, you may register for Mondays only, or Monday and Thursday or all week, depending on your child's schedule and interest.

Children staying for Aftercare MUST be registered for TBANS afternoon activities. All afternoon activities end at 2:30, so children will either be picked up at that time or transition to Aftercare.

Enrollment Instructions:

1. **Read this document fully, including all procedures, policies, and class descriptions.**
2. Choose the Afternoon Activities you want your child to attend.
3. Have your login, password, and credit card ready for when you log into Chaverweb from <http://www.bethami.org/> to register online (just as you did to register for school).
4. **Between February 11 at 8:30 am and February 14 at 3:00 pm**, you can log in and register online.
5. From Chaverweb, choose "Event Sign Up." Use the drop-down menu on the top to choose: "TBANS Afternoon Activities Ses3" for Bets, Gimels or Dalets. Click on the words "sign up."
6. Check your child's name, and then scroll the cursor over the word "select" to see the daily options.
7. Check the box next to each of the activities you want, and proceed as instructed.
8. You will be charged the total. The fee is per day per session: \$260; Member discount: \$230.
NOTE SPECIAL THIS SESSION ONLY: Due to the significantly reduced number of Friday sessions and in order to promote the new Dalet Friday class, all Friday registrants will receive a \$45 credit on their Temple account to be used to offset other bills (not refundable for cash).
9. Repeat this process to register a second child, if desired.
10. If you have questions, contact Jill, jaf@bethami.org, 301-762-5594.

Remember: Enrollment is on a first-come, first-served basis.

See registration policies, Activity schedules and descriptions, and calendar dates below.

Registration Policies:

- Enrollment is on a first come-first served basis.
- Class sizes are limited to create optimal educational experiences.
- Under-enrolled classes may be cancelled.
- If you're registration cannot be accepted, you will be notified by February 15.
- Registration is for an entire session.

- Dropping or changing an Activity is generally not allowed. Contact TBANS Office with special circumstances.
- There are no refunds for classes missed for any reason, including days missed for illness or inclement weather.
- If enrollment occurs after online registration has closed, contact Jill in TBANS office. There is a \$25 late fee. If registration occurs during the first 4 classes of the session, the full tuition amount plus the late fee is due. If registration occurs after the first 4 classes, there is a 15% tuition discount, and the late fee still applies.
- A Drop-in option is offered. We know situations arise unexpectedly. If space allows, children may be able to stay past the regular school day and participate in an Afternoon Activity for \$30. Children may also stay in Aftercare till as late as 6:00 pm, space permitting, for a fee of \$15 per hour or any fraction of an hour. You must call the TBANS Office 24 hours in advance and confirm space availability for both the Afternoon Activity or Aftercare.

Afternoon Activities Schedule: February 25 – June 4, 2019

NOTE SPECIAL THIS SESSION ONLY: Due to the significantly reduced number of Friday sessions and in order to promote the new Dalet Friday class, all Friday registrants will receive a \$45 credit on their Temple account to be used to offset other bills (not refundable for cash).

Gimel Classes (Parparim, Shining Stars, Megallim)

Mondays:

Story S-t-r-e-t-c-h-e-r-s - Story Stretchers helps children enhance their love of and fascination with reading. We are all aware that reading is a skill that is crucial for success and brings richness to life. Each week, we will read and s-t-r-e-t-c-h the story with cooking, art, and/or drama activities. The children become familiar with the authors and illustrators. Leo Lionni, Eric Carle, and Jan Brett are some of our favorites. Teacher: Megan Treby (Min. 4, Max.14)

Tuesdays:

I Knead It! - This enrichment is all about kneading a variety of materials – play dough, clay, bread dough, sand, dirt, mud, gak, flubber and more. Kneading strengthens fingers, hands and wrists to develop fine motor skills for cutting, writing, buttoning, and related tasks. Kneading also fosters children’s imagination and communication skills as they share ideas about their creations. And of course, kneading is a natural stress reliever – we will all feel great after each session! Teacher: Jody Rosenblum (Min. 4, Max. 14)

Wednesdays:

Zoofari - It's time to put on our inspector's hats as TBANS brings the zoo to school! Through creative study, we will investigate different animals that we might find at the zoo. We will build on our learning in the best way possible - with our imaginations! Developing imagination is so crucial to how young children learn and grow - *especially* in our technology-heavy world. Each week we will use our minds, senses and bodies through clever crafting, music and movement as we travel around our imaginary zoo. Teacher: Bari Handelman (Min. 6, Max. 14)

Amazing Athletes - This program is specifically designed to enhance a child’s learning experience through movement. At Amazing Athletes, children learn the basic fundamentals and mechanics of 9 different sports while also building self-confidence, practicing teamwork and improving 7 key areas of motor development. Our Amazing Athletes coaches are trained to work with every child at their own development level within a non-competitive, learning-based environment. Coach: Kristen Erdheim (Min. 6, Max. 10)

Thursdays:

Little Stars Soccer – This program is an introduction to soccer and is designed to promote movement, coordination, balance and most importantly fun. The Little Stars program promotes a love for the beautiful game in a safe and controlled environment. Little Stars learn the basics of soccer through a series of games designed to stimulate children’s imagination and develop motor skills. Instructor: Coach Pete and FS Soccer staff. (Min. 8, Max. 20)

Metropolitan Ballet - Students will enjoy a fun dance class that incorporates a stimulating warm up, introduction to ballet techniques, strength building exercises, and creative exploration of movement. We will explore concepts of repetition, opposition, and pattern through dance, music and hands-on materials that promote creativity. Class will highlight physical skills such as balance, spatial awareness, and coordination all while dancing to classical and fun music. The class will culminate in an end of the season “Parent Observation.” Students will need to bring ballet shoes. Please wear tight fitting clothes that are easy to move in! Leggings recommended. Instructors: Rachel Coyle and Rachael Gnatowski with Metropolitan Ballet Theatre and Academy (Min. 6, Max. 9)

Fridays:

Nature Time - Mud pies, potions and painting, oh my! Learn through playing outside with Ms. Treby. Each week, your child will practice social skills, fine motor skills, creativity and so much more through these specially designed outdoor play experiences. They will become little environmental experts and maybe even teach you a thing or two about the wonderful world outside! This class will take place outdoors, no matter what the weather, as long as it is safe; so appropriate clothing is required. Instructor: Megan Treby (Min. 4, Max. 14)

Dalet Classes (Busy Bees, Jungle Friends, Keshatot)

Mondays:

Look and Cook – We will be guiding your young ones through the worlds of reading and cooking. Each month, there will be a new theme, and every recipe will be linked to a wonderful story. The tales will come from the likes of Maurice Sendak and Eric Carle, as well as our own Jewish holiday traditions. Children will cook and eat a treat each week, trying new tastes and textures as well as creative twists on old favorites. A year-end keepsake cookbook will summarize our culinary and literary journey. Teacher: Chris Mullett (Min. 6, Max. 14)

Thursdays:

Soccer 201 – This program is designed to further develop the movement, coordination and balance necessary for successful soccer play. Don't worry, it's still fun! The program promotes enjoyment of the beautiful game in a safe environment. Players practice soccer skills through a series of games designed to stimulate children's imagination and develop motor skills. Instructor: Coach Pete and FS Soccer staff. (Min. 8, Max. 20)

Metropolitan Ballet 2 - Students will enjoy a fun ballet class that furthers the skill level of each participant. We focus on dance techniques, strength building exercises, and creative exploration of movement. We explore dance and music concepts and practice physical skills such as balance, spatial awareness, and coordination. The class will culminate in an end of the season "Parent Observation." Students will need to bring ballet shoes. Please wear tight fitting clothes that are easy to move in! Leggings recommended. Instructors: Metropolitan Ballet Theatre and Academy Dancers and Teachers. (Min. 6, Max. 9)

Fridays:

Mad Science – All Mad Science programming is designed to meet one simple goal: "Turn Kids On To Science!" The Mad Science Preschool Program is an engaging hands-on learning experience for 4-5 year olds. Each workshop is an interactive, age-appropriate exploration of a specific science topic. From air, our animal friends and butterflies to water, weather and worms, each themed program is designed to captivate the curious nature of young children. Preschoolers enjoy engaging demonstrations, perform simple experiments and discover how science can help us better understand the world around us. Instructors: Mad Science (Min. 10, Max. 10). NOTE: Mad Science will run a one hour class, and children will have supervised open play time from 2-2:30 with a TBANS staff member.

Tennis –MATA makes tennis available to everyone and gives kids the opportunity to have fun doing it! Kids will improve confidence, coordination, motor and social skills, health and fitness. We begin with a warmup and stretching, then racquet games, strokes, eye-hand coordination and group games. All equipment is provided. Players should wear sneakers and bring a water bottle. Neale Castillo is the founder and president of MATA and Director of Tennis at Westleigh Recreation Club. He is a USPTA Master Professional, USPTA High School Coach of the Year, USPTA Player of the Year and USPTA MD Pro of the Year as well as a former Number One Mens Open Player of the Nation. (Min. 5) NOTE: MATA will run a one hour class, and children will have supervised open play time from 2-2:30 with a TBANS staff member.
