

# Gimels in the Making

Wednesday January 23, 2019

7:00 pm - 8:15 pm

*How do children learn to navigate social situations?*

*Why is the Gimmel year the right time to master these skills?*

*And why does it matter??*

## **“Social Thinking”**

**7:00 - 7:15 PM**

Yarden Social Hall (Ride Room)

Naomi Rubinstein

(TBANS Staff Member/MS Early Childhood)

will describe how the *Social Thinking Curriculum* that she implements enhances the social success of our 3-4 year old children.

## **Your Child's Classroom**

**7:15 - 8:15 PM**

Parents will meet with their teachers in the classroom to find out what really happens “behind closed doors.”

How do the skills gained during the Gimmel year transfer to everyday life?  
How do we implement the “Framework for Early Education” and prepare children for success in further academic and social endeavors?
