

GROWING DEEPER ROOTS CAMPAIGN

A Defining Moment at Ad Fontes

GOAL: \$250,000

As Ad Fontes celebrates its 25th anniversary, we rejoice in God's faithful presence and provision for our K-12 classical learning community. Our teachers support families in the academic and spiritual discipleship of their children and model an "infectious excitement for learning" (as described by one AFA alumnus). We've seen our students develop into critical thinkers, skilled communicators, and mature leaders equipped to excel and glorify God in a wide range of vocations. Ad Fontes' history has been marked by a series of defining moments. We recognize with excitement a new defining moment unfolding this year!

DEFINING MOMENTS

1996, The Opening of Ad Fontes

With just eight students, Ad Fontes opened its doors to begin shepherding young students in the pursuit of truth, understanding, and wisdom to fulfill the purpose for which each one was created.

2015, One Body, One Campus Campaign - Lower School Building

In partnership with Centreville Presbyterian, and through gifts and investments from the AFA community, we fulfilled our \$1.2 million campaign goal to bring all 190 AFA students onto one K-12 campus.

2020, Growing Deeper Roots Campaign - From Crisis To Opportunity

Ad Fontes' incredible COVID response, and a record enrollment of 218 students, uniquely positions us to launch our Growing Deeper Roots Campaign. The \$250k puts Ad Fontes on solid financial footing so that in 2021 we can focus our efforts on securing resources to purchase our own property.

Future Vision - Permanent Campus with full academic, arts and athletic programs

In the next few years, we want to create a beautiful, permanent home for the Ad Fontes community. The new building will double our current capacity for growth, giving 500 students access to a more robust liberal arts and sciences, fine arts, and athletics program. This 2015 facility vision provides a taste of this fully equipped facility.

We invite you to be a part of this defining moment in Ad Fontes' history!

You can make a tax deductible monthly or one-time gift at <https://adfontes.com/support-ad-fontes/> or contact Dean Luckenbaugh, AFA Head of School, to discuss Ad Fontes and the Growing Deeper Roots Campaign.
