Golf to Get-A-Away
Final Results

Thanks to all of you who played in our 3rd Annual Golf To Get-A-Away Tournament. For almost the entire round it was a gorgeous day. Unfortunately, it began to rain and thunderstorm on the last 3-4 holes. The first time in 3 years of holding this event.

Nearly all teams either finished quickly or stopped leaving a couple of holes remaining. For those teams that wisely came in when the thunder started, we filled in any un-played holes with a par. While this is not a perfect solution, we felt it was fair given how close everyone was to completing the round.

Out of a field of 144 or 72 teams, 60 teams turned in cards. 12 Teams did not turn in cards.

Below are the winning teams:

Team	Position	Score
Team Best Budz	1st Place	67
Team Boom!	5th Place	71
Team Dartboyz	10th Place	74
Team Buck Shot2	15th Place	76
Team Crumbled Crackers	20th Place	78
Team JJ	30th Place	81

Team Skinners	40th Place	84
Team Chili Dippers	50th Place	89
Team Braymiller	60th Place	107

Skins

The total skins money was a whopping $900 making each hole worth $50. Out of the entire field there were 3 skins:

Hole 4 – Par Wars (Christopher & James Pokornowski)

Hole 13 – MJ (Joey & Mike Gianturco)

Hole 15 – Laking Follow Through (Justin Dahl & Mike Shaw)

50/50 Contest

The 50/50 came to $560 for the winner. The total pot was $1,120. Ticket number 964506 won and was present to collect their money. The other 50% is being put toward a season ending party for the local high school golf team.

Again, I hope everyone enjoyed themselves during this event (not counting the weather through the final few holes).
