CIAP Internship/ Scholarship Career Fair

On January 5, 2022, the Construction Industry Advancement Program will hold its 20th Annual Career Fair for civil engineering, engineering studies, construction management and construction engineering technology students who have been selected into the CIAP internship/scholarship program. CIAP is looking for contractors to participate in this event who are interested in hiring interns to work in the tri-state area for the summer of 2022. The Career Fair will be held **VIRTUALLY**. Details on the platform/format will be provided to all registrants. If you participated last year, your booth will carry over and can be modified by you at any time.

The 2021 internship/scholarship program had 68 prospective college sophomore and junior candidates attend the career fair, with 64 accepting offers with eligible employers. This year, we hope to interview upwards of 100 students and will invite approximately 60 candidates, all thoroughly screened and interviewed by CIAP, to the Career Fair. Upon successful completion of the internship with one of your companies, the students will receive a scholarship from CIAP. In addition, over the years many students who have come through the program were offered positions with construction contractors during their school breaks and hired full-time upon graduation.

To be an eligible employer for the CIAP Grosso/Davis Internship Program:

- A company must be a member in good standing of a supporting association – ACCNJ, NJAPA or UTCA of NJ, *and*
- be signatory to a general construction trade collective bargaining agreement, whose IAP funds CIAP, with a 12-month contribution history preceding the Career Fair; or
- be a Construction Manager employing said signatory contractors; or
- be a company that provides services to signatory contractors; or
- provides Design/Engineering services

In addition, federal and state agencies as well as local municipalities may be considered eligible employers.

If your firm is looking to take advantage of this valuable resource and participate in the Career Fair, please complete the attached registration form and email to jschiff@accnj.org or click on the link provided to register online. There is no cost to attend this event. If you have any questions or are unable to attend the Career Fair but have an interest in hiring summer interns, please contact Jill Schiff at (732) 225-2265 jschiff@accnj.org.

Career Fair Location: VIRTUAL

Interviews: 9:00am- 11:30am and 1:00pm - 3:30pm
