

Radhika Patel, DO

*Radhika Patel, DO is a fourth-year psychiatry resident and PGY-IV Chief Resident at SLUHN. She has demonstrated consistent initiative, mentorship, professionalism, and service throughout her journey to medicine and psychiatry training. Her work includes numerous leadership roles, advocacy efforts, and presentations at national conferences. She has served as the Resident-Fellow Member on the Board of the PaPs - Lehigh Chapter for the past 2 years where she has implemented innovative programming and networking opportunities, increased resident engagement, expanded chapter reach, and fostered a collaborative environment. Prior to this, she led social media initiatives for the SLUHN Psychiatry Residency program. She will begin a Consultation-Liaison Fellowship at UPMC starting in Summer 2026.*

---

“Serving on the PaPs Board of the Lehigh Chapter has been a deeply rewarding experience, both personally and professionally. I have especially valued the opportunity to collaborate with driven, like-minded colleagues who are passionate about strengthening camaraderie, advancing the field of psychiatry, and advocating for our patients and profession at both local and national levels. It has been an honor to work alongside local leaders who play a vital role in professional development, patient care, and the broader healthcare community.”
