

Dr. Salman Majeed is Adult, Child & Adolescent Psychiatrist, and Clinical Assistant Professor at Penn State Hershey Medical Center. He is the founder and Medical Director of Silverlining Health & Wellness, where he provides patient-centered care integrating psychotherapy with medication management, including treatments for complex and treatment-resistant conditions.

In addition to his academic and clinical work, Dr. Majeed is actively engaged in social justice, community outreach and interfaith initiatives, promoting mental health awareness, collaboration, and compassionate care across diverse populations.
