

About Dr. Mayank Gupta, MD, DFAPA, DFAACAP, CPE

Dr. Mayank Gupta is a Triple Board-Certified Psychiatrist and Distinguished Fellow of the American Psychiatric Association and the American Academy of Child and Adolescent Psychiatry. A long-standing leader within organized psychiatry, President of the Pittsburgh Psychiatric Society, and is an active contributor to the APA Assembly, where he has advanced evidence-based policy and clinical advocacy.

Internationally trained and nationally recognized, Dr. Gupta completed psychiatric training in London at the Charing Cross Program before completing residency at New York Medical College and a Child and Adolescent Psychiatry fellowship at Rutgers University. He is also certified in Addiction Medicine and a Certified Physician Executive.

Dr. Gupta's leadership has spanned inpatient, outpatient, and system wide roles, including service during pandemic to expand rural access to youth mental health care earned him the APA's William C. Menninger Memorial Award for Rural Psychiatry.

A committed advocate for scientific rigor and patient centered care, Dr. Gupta has authored numerous scholarly publications and continues to contribute to APA initiatives, action papers, and national policy discussions. His clinical work integrates developmental science, psychotherapy, and neuropsychopharmacology, reflecting his dedication to advancing psychiatry in service of patients, families, and the profession.
