

Elizabeth Ann Mutter, DO, is Chief of the Division of Child and Adolescent Psychiatry and Medical Director of the Adolescent Inpatient Unit at Lehigh Valley Health Network–Muhlenberg. She is board certified in both Psychiatry and Child and Adolescent Psychiatry.

Dr. Mutter earned her undergraduate degree in Psychology from the University of Delaware and her Doctor of Osteopathic Medicine from Rowan University School of Osteopathic Medicine. She completed her psychiatry residency and child and adolescent psychiatry fellowship at Vidant Medical Center in Greenville, North Carolina.

Her clinical work focuses on the care of adolescents with acute psychiatric needs in the inpatient setting, as well as the acute stabilization of children and adolescents boarding in the emergency department. As a physician leader, Dr. Mutter is known for a collaborative, team-centered approach that prioritizes safety, efficiency, and high-quality patient care. She is committed to strengthening systems of care and improving access to mental health services for youth.

Dr. Mutter is actively involved in teaching and mentorship, working closely with fellows, residents, and medical students in the clinical inpatient setting. She is passionate about developing the next generation of psychiatrists and fostering practical, patient-centered learning environments.
