December 15, 2020

Dear Sarah,

In light of expediting the COVID-19 response in Metro Detroit, UFCW Local 876 would like to offer its facilities as a vaccination site for the Michigan COVID-19 Vaccination Interim Prioritization effort at no cost; as well as offer financial assistance.

Our union hall, conveniently located east of I-75 between 12 and 14 Mile Roads in Madison Heights, is completely updated, clean and modern. There has been no activity in our hall since March. It has: lighted parking for 200; 16,000 square feet; 20-foot ceilings; three separate entrances; excellent ventilation; two, full catering kitchens and is capable of drive-thru logistics.

I believe you will find our hall is the perfect fit for this effort. Feel free to give me a call and I would be happy to conduct a walk through.

Sincerely,

Dan Pedersen  
UFCW 876 President
