## Recommended Bylaw Changes

The ACPE Board of Directors recommends the following changes to the Bylaws:

- **Section 5.01, Number and Qualifications:** Add “The Foundation for ACPE Chair is an ex-officio member of the Board of Directors with voice and vote.”

**Rationale:** Aligns ACPE bylaws with practice and Foundation for ACPE bylaws.

**Resources needed:** No new resources are needed.

- **Section 6.01, Standing Commissions and Committees:** Add “Psychotherapy Commission” to the list of standing commissions and committees as item 6.01.d. The Finance and Audit Committee shall be listed as 6.01.e., and the Leadership Development Committee shall be listed as 6.01.f.

**Rationale:** The AAPC is now fully consolidated with the ACPE; therefore, the official structure of the Commission should be included as a part of the formal Bylaws.

**Resources needed:** No new resources are needed.
