

*"We are beyond excited to offer this innovative solution for your community. Our goal is to enhance the resident experience by providing convenient access to all resources and clear communications through push notifications!"*

## THE ONLY MOBILE APP YOU NEED

1

### PUSH NOTIFICATIONS

Receive important messages from your management company, such as emergency alerts, directly to your phone.

2

### ACCESS EVERYTHING IN ONE PLACE

Gone are the days of having to remember URLs for association websites, links to account portals, or management phone numbers. All of those resources are now on your phone in one place with the Community Base app.

3

### EASILY CONTACT MANAGEMENT

Communicating with your management company shouldn't be hard. We're making it easy to instantly connect to help whenever you need it.

4

### ACCESS EVERYTHING DIGITALLY

Find all of your community resources, calendars and need-to-know information online – no need to sift through print outs.

5

### HOME IMPROVEMENTS - FOR LESS!

The savings tab gives you access to exclusive deals directly on the app.
