

U.M. ARMY Re-imagined!

The U.M. ARMY Staff and Board Members have been working for quite a while to ensure that you will still have a mission opportunity this summer. We believe God is still calling U.M. ARMY, and you, into the mission field this summer and beyond. It will look and feel different than previous U.M. ARMY experiences, but the need is different this year than in previous years. So, we are still answering God's call "All In" together. (Romans 12:3-8)

U.M. ARMY is excited to announce two new models: ***U.M. ARMY Local*** and ***U.M. ARMY @ Home!!!***

Due to the COVID -19 pandemic, and until National, State, and Local entities allow us to operate our traditional camp model, these will be our summer offerings for 2020.

GREAT NEWS!!! All participants will still be able to:

- experience worship
- learn and explore their faith
- help others
- experience journal time
- experience prayer journey
- experience color days/themes
- build relationships
- have the support of U.M. ARMY staff and structure

So – what is changing? You will do more of this in the safety of your home utilizing technology for common experiences. You will work safely within your community.

GOD IS IN CONTROL!! Let's see what God has **Re-imagined** for us this year – are you **ALL IN?**
