### Prayer of Confession and Words of Assurance

Almighty One, we come before You, confessing that we are not always consistent in Your ways. We say one thing and do another. We say we love, then struggle to live it out. We say we care for our neighbors, but then we get caught up in labeling and othering those who most need our care. Shine Your light in us. Call us back to Your ways. Help us to be consistent in living out Your truth in this world. Guide us away from self-preservation and instead, hold us to Your call to be servant of all. For it is in losing ourselves that we gain our lives. It is in fully loving You that we become all of who You have intended us to be. In the name of Christ, we pray. Amen
