Centering Prayer		
God of our ancestors, today we gather to reflect on the Passover story. How you have led us in the past and continue to lead us into the future. We celebrate your mighty deeds in the lives of all your children. Forgive us God, when we believe our problems seem too large to overcome. Forgive us when we give up and accept the status quo. Forgive us when we can not imagine a new future. Grant us healing for our brokenness, peace for our fears, hope in our uncertainty, and faith in our emptiness as we listen to the story of life and faith in this time of worship. Amen.
