

IEEE-Eta Kappa Nu Award Announcement

26 Chapters Earn 2019 Outstanding Chapter Award

Contact: Nancy Ostin, Director, IEEE-HKN

n.ostin@ieee.org

The IEEE-Eta Kappa Nu (IEEE-HKN) Board of Governors has conferred upon 26 student chapters the distinction of Outstanding Chapter for 2019. This represents the top 10 percent of all HKN chapters worldwide.

The Outstanding Chapter Award (OCA) recognizes excellence in IEEE-HKN chapters for their activities. The award is based on the content and description of chapter activities that are contained in the Annual Chapter Report, which summarizes the chapter's activities from the previous academic year.

For the purposes of this award, emphasis is on service activities to the department, school, community and chapter. Equally important is promoting the goals of IEEE-HKN by inducting as many eligible undergraduate students, graduate students and faculty in the IEEE designated technical fields of interest as possible and by participating in IEEE-HKN student chapter projects.

The awards will be presented on Saturday, 21 March 2020 during the annual conference of the Electrical and Computer Engineering Department Heads Association (ECEDHA). Each recipient chapter receives an engraved plaque.

The chapters recognized as 2019 Outstanding Chapters are:

Arab Academy for Science & Tech - Alexandria

California State University, Chico

G.H. Rasoni College of Engineering

Georgia Institute of Technology

Illinois Institute of Technology

Gamma Theta: Missouri University of Science and Technology

Beta Eta: North Carolina State University

Mu Nu: Politecnico Di Torino

UCSI University - Kuala Lumpur

Alpha: University of Illinois at Urbana-Champaign

Mu: University of California, Berkeley

Iota Gamma: University of California, Los Angeles

Kappa Psi: University of California, San Diego

University of Florida

Delta Omega: University of Hawaii at Manoa

University of KwaZulu-Natal

Beta Epsilon: University of Michigan – Ann Arbor

University of Minnesota

Lambda Zeta: University of North Texas

Sigma: Carnegie-Mellon University

Manhattan College

Beta: Purdue University

Epsilon Eta: Rose-Hulman Institute of Tech.

South Dakota State University

University of Dayton

Valparaiso University

Founded as Eta Kappa Nu in 1904 at the University of Illinois, Urbana-Champaign, then changed to IEEE-Eta Kappa Nu (IEEE-HKN) following a merger with IEEE in 2010, IEEE-HKN is the academic honor society for electrical engineering, computer engineering, computer science and the technical fields of interest of IEEE.

IEEE-HKN annually inducts more than 3,000 students, faculty and professionals and has more than 200,000 alumni. The Society has chapters at more than 260 colleges and universities in the United States and around the world. Membership for students is by invitation only to those that possess outstanding academic achievement, character and attitude.
