

# Thank You with Love

To Our Messiah Family,

Thank you immensely for the overpouring of love we received in monetary gifts of appreciation this Christmas. Bonuses are not something we expect in any way, so we are grateful as you acknowledge our hard work as a staff. We love what we do, and the opportunities God gives us alongside of you all. We feel so fortunate to serve a family like Messiah who truly come together to show God's hope, peace, and love with one another in so many ways. So, we hope you know how appreciative we are of you and all you do for us as well! We look forward to serving our Messiah family together with a 2020 vision focused on our Lord & Savior.

In His Love,

*Your Messiah Lutheran Church & School Staff*
