Thanksgiving/Praise/Guidance:

Kathy and I cannot begin to tell our Messiah Church Family how much we appreciate all your prayers, get well cards, and support you gave us while I was in the hospital and recovering at home. After forty days in the hospital, it was a true blessing to be able to come home. I am regaining my strength a little bit more each day and God willing I will have a full recovery soon. We look forward to seeing each of you at church soon. Again, thank you for your prayers. We love and appreciate our Messiah Church family. John & Kathy Lippert

I want to thank God, and all the prayers and good thoughts of our church family while I am healing from my hip surgery. Carol Brown
