Our Messiah member, Becca Ludwig, is coordinating a course for this fall and was wondering if she could tap into the Messiah community for some help. She is asking for volunteers on September 10<sup>th</sup> for her class period from 8 AM to 10:50 on the OU Campus downtown.

The Occupational Therapy students would be interviewing community members about their life, what they like to do, their home environment, family set up, hobbies essentially practicing interviewing people that they do not know. Becca shared that she has talked with her Department Chair, and they are hoping to get refreshments and a little token of thanks in the form of a mug or something for the volunteer's time.

If you are willing to volunteer, please either call Becca at 913-522-4648 or email her at [beccamludwig55@gmail.com](mailto:beccamludwig55@gmail.com)

I am planning on volunteering and if other Messiah volunteers would like to meet at church that morning I could drive our church bus down there and back, just let me know as well at [mmuenchow@messiahokc.org](mailto:mmuenchow@messiahokc.org)
