Note of Blessings and Thanksgiving:

Bill is finally home after recovering from the Covid virus. He continues to gain strength while receiving home physical therapy three days weekly. We would like to THANK everyone for their prayers, well wishes, cards and calls while Bill was hospitalized and in rehab. It was a most difficult time not being able to visit with all the Covid restrictions. You all helped us through this time and we cannot thank you enough. God Bless you for your kindness and caring. —Bill and Michele Ackerman
