Dementia Care Collaborative

MOVIE SCREENING & DISCUSSION

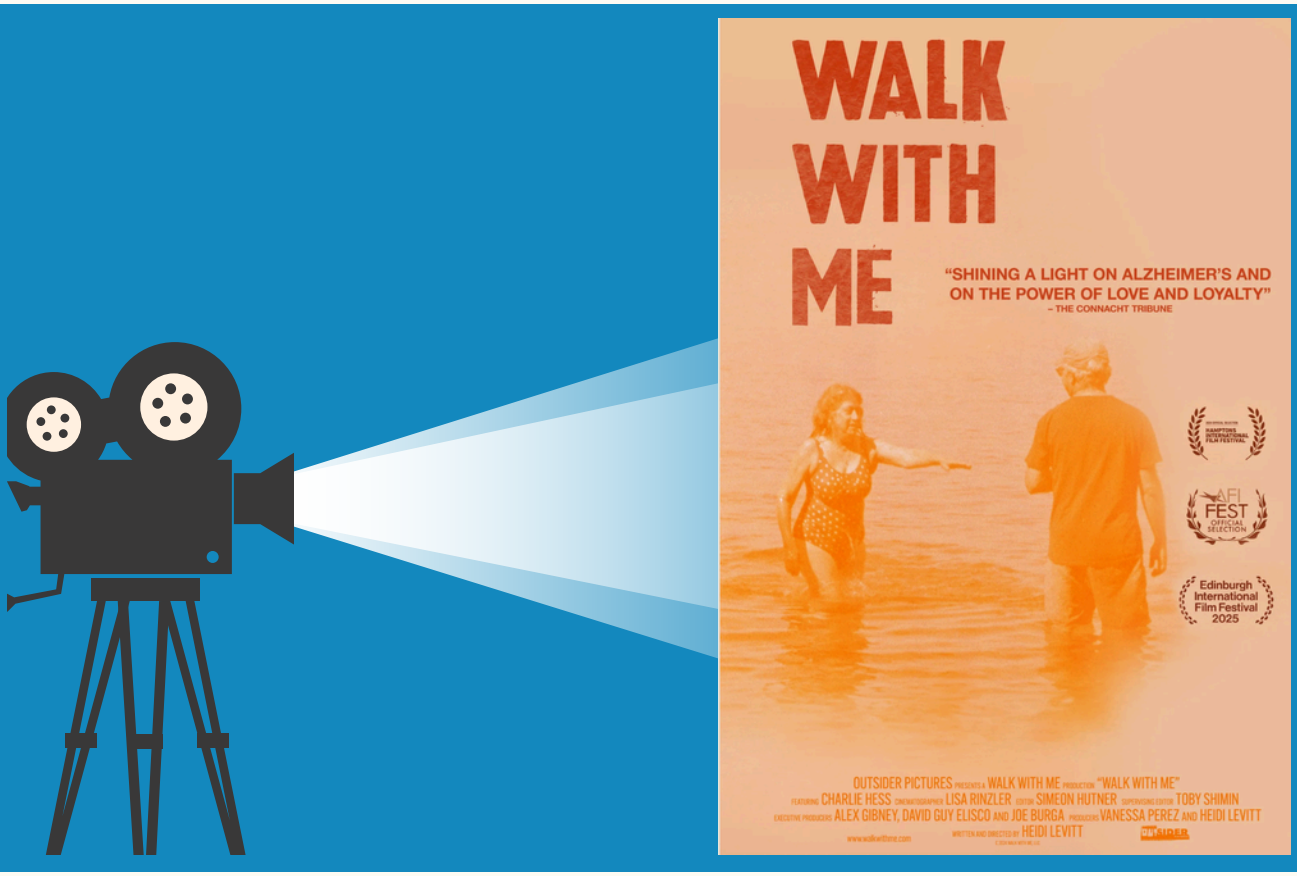

Join us for a screening of Walk With Me - a film chronicling the early-onset Alzheimer's diagnosis of Charlie Hess at age 57. You'll gain insight into the day-to-day experiences of people living with the disease and the profound effects it has on caregivers and family members.

A panel discussion hosted by Christine Ritchie, MD, will follow, featuring:

Heidi Levitt
Writer, Director, Producer

Rudy Tanzi, PhD
Professor of Neurology
Harvard Medical School

Marie Pasinski, MD
Neurologist
Mass General Brigham

OCTOBER 8, 2026 / 4-7 PM

O'KEEFFE AUDITORIUM
BLAKE BUILDING, 1ST FLOOR
MASSACHUSETTS GENERAL HOSPITAL
55 FRUIT ST., BOSTON
