

# *Lenten Service Project*

## *Love Socks*

For our Lenten Service Project, we will be collecting socks, snacks, and travel sized toiletries to make Love Socks. The students will fill each pair of socks with items to be donated to the Dorothy Day Center and Higher Ground shelter. We will be collecting new, adult socks, hand warmers, lip balms, granola bars, small hand sanitizers, and travel size toiletries such as lotion, toothpaste and toothbrushes. Items will be collected through March 4<sup>th</sup>. Thank you for your generosity in helping those in need!
