Sample Call Script to Contact Your State Representatives and Governor Cuomo on June 19th for Fight for the Frontlines Friday

(Look up your State Senator here, your State Assembly Member here, and Governor Cuomo's contact info here.)

My name is [Name] and I work for [Name of Organization] in [Neighborhood].

I am calling to ensure human services providers who have state contracts and provide services such as [Name 1 or 2 services you provide] to our communities around New York are getting pay fully and on time. We cannot afford to continue underfunding contracts that will affect human services programs, especially in the midst of COVID-19. Please join hundreds of human services providers from across the State fighting for contracts to be paid fully and on time to continue supporting New York communities that have been hardest hit by this pandemic. Together we can fund the human services programs that support and enrich New Yorkers and keep our communities safe.

Thank you so much for your time.
