

2025 Pilot Program with Cy-Fair Helping Hands

Barkley's Bookshelf is partnering with Cy-Fair Helping Hands clients, Pre-K-5th grade, to provide books for summer reading. The success of this program is greatly dependent on the support of local businesses like yours.

The participants will register and select books from thirty popular titles, including bilingual options, that Barkley's Bookshelf will mail to them. They will receive awards for participating. We are asking for donations of gift cards from local businesses to add to the incentives. Your contribution will be a vital part of this initiative. The deadline for business participation is June 1st.

Thank you for your consideration!
